Vicaryal Visit 1940

Continuation Sheet | File No / Current No | Grant to Mysore City Municipality | of | Page

From The President City Municipal Council Mysore
To No P C 40 d 10th Aug. 40 forwarding an estimate in respect of the various items of work to be carried out in connection with the Viceroy's Visit and requesting at least a first grant of Rs 15000/- for the purpose

The previous visits and the amounts referred to were in connection with formal visits of HE the Viceroy The duration of stay in Mysore city was to also longer since the present visit is informal and the stay in Mysore is only for one full day Similar heavy expenditure does not seem to be called for The estimate is for a sum of Rs 21335 out of State funds the major items being

(1) Macdamising Princes Road East 6 furlongs upto 00 Kms — Rs 2800
(2) Metalling Brow of Wards Road — Rs 1410
(3) Constructing a culvert near Sweepers Quarters on Jumma Road — Rs 1500
(4) Metalling the Viceroy Road — Rs 1300-
(5) For attending Patch repairs on principal Roads — Rs 2550
(6) For urgent repairs to Jaggy Rao Road — Rs 1550
7 For Patch repairs to Princes Road — Rs 1125
(8) For repairing and dressing kerbed portion of Harding Circle — Rs 1000

Rs 235

Continuation Sheet | File No / Current No | of | Page

	1R 235
Carriages including lamps etc	1000
Lighting poles along Hyder at Road and other parts	1000
Decorations	3600
Miscellaneous unforeseen	2500
	Rs 21335

The President requests a first grant of at least Rs 15000/- for the above purpose. The visit is to come off in a week and it is doubtful whether all the repairs referred to can be effected by that time. Perhaps a lumpsum grant of Rs ~~10,000~~/- for the purpose may suffice. Subject to your approval and orders

SECRET

Dear Mr Vedavyasachar,

Adverting to your letter No P 810 dated 4th August 1943 directing that necessary immediate action in respect of the items of work noted in the margin may be taken up in consultation with the Palace authorities, I am enclosing herewith a statement of estimate of works to be undertaken in this connection, prepared by the Municipal Engineer under my instructions an abstract of which is noted below

1	Buildings - Original	Rs. 500
2	Metalled roads - Original	6,370
3	Drains - Original	1,500
4	Special repairs to metalled roads	2,350
5	Special repairs to foot-paths.	2,515
6	Special repairs to tarred roads	11,245
7	Special repairs to buildings .	1,544
8	Miscellaneous and contingencies including temporary establishment	1,000
9	Parks and gardens	1,512
10	Decorations	3,600
11	Other miscellaneous temporary works such as blindage, white-washing etc and temporary establishment	2,500
	Total Rs	34,636

2 Excluding the items of works which are ordinarily to be borne by the Municipality itself, a sum of Rs 21,335 would be required for the special works, such as special repairs to the metalled roads, tarred roads, improvements of parks and gardens, decorations, miscellaneous etc In connection with all the Viceregal visits, it has been usual to give a suitable grant to the Municipality for road repairs and other works and I am noting in the*margin the amounts given by Government and the amounts spent by the Municipality

Year of visit	Amount sanctioned by Government	Amount spent by the Mlty out of its funds
1927	Rs 33,000	Rs 1,000
1933	15,000	6,500
1939	55,000	5,000

P T O

out of its own funds during the years, 1927, 1933 and 1939. Against the maximum of Rs 6,500 spent out of Municipal funds ~~on one~~ of the previous occasions, it is now proposed to spend Rs 13,000 in connection with the visit, out of Municipal Funds and the balance is being requested to be kindly given as a grant.

3 I may add in this connection that the Municipal Budget for 1943-44, consequent upon the allround increase of prices and also the grant of dearness allowance has been balanced with great difficulty and I therefore request that if for any reason, it is not possible to grant the sum of Rs 21,335/- asked for, at least a sum of Rs. 15,000 may kindly be-granted for this purpose.

Yours sincerely,

PRESIDENT
